Subject: RE: Student Accident Insurance

Hello Brantley,

Hope you had a good weekend and enjoyed such a beautiful day on Sunday. When it is possible can you please send me the following regarding the student accident insurance:

Number of student population insured for 2014-2015
Number of high school and middle school athletes insured for 2014-2015
Copy of the policy<=o:p>
Total claims paid for 2014-2015 and previous 3 years.

No rush as I know you are very busy. We have formalized a relationship with a new carrier and I think they will be aggressive in competing on the student accident. Please let me know if you need anything from me.

Thank you,

Scott Pokorney
